

On-Trac Ag **PTY LTD**

Service Technician / Ag Mechanic – Full time position Bathurst Region, NSW

About our business:

On-Trac Ag is a local progressive farm machinery and construction equipment business with branches located at Bathurst, Mudgee and Orange. Due to the expanding nature of our business, a full-time position has become available for a Service Technician based at our growing Bathurst branch.

Bathurst is the oldest inland settlement in Australia and continues to grow rapidly. Just a 3-hour drive from Sydney and Canberra, it's easily accessible. The region is well known for producing a wide range of agricultural products such as locally produced stone fruit & wine. One of Bathurst's main industries is sheep & wool production.

We are currently seeking an energetic and self-motivated applicant to join our team as a full time Service Technician at our Bathurst branch for immediate start.

We can offer you:

- A great team environment with both workshop and field service work
- Up-to-date training (on the job and franchise training)
- A lot of variety from day to day
- No shift work, which means you go home every night!
- Working hours are 8:00am – 4:30pm Monday to Friday with some after hours and weekend work as necessary

Roles and responsibilities will include:

- Repairing and maintaining agricultural and construction machinery and implements
- Electrical & Hydraulics diagnostics
- Seasonal / scheduled service work & repairs
- Overhauling of engines, transmissions and components

Criteria:

- A minimum two years recent trade experience and be a trade qualified Heavy Vehicle Diesel Mechanic
- Excellent diagnostic skills
- A strong work ethic and high standards in completing work in a timely manner
- Good written and verbal communication skills and be able to effectively interpret technical service data, schematics and mechanical drawings
- Drivers licence

Desirable Criteria:

- Experience with New Holland brand, tractors & hay equipment
- Alternatively, experience within the agricultural industry particularly with baler/hay equipment
- HR Drivers Licence
- Current Forklift licence

If you enjoy a fast-paced environment, especially during hay and harvest season, then this could be the role for you. Don't delay, apply now!
